MIAMI-DADE · BROWARD

WELCOME

Miami's most private infusion practice.

Miami VIP Hydration is a mobile, physician-formulated IV therapy practice serving Miami-Dade and Broward. Each infusion is administered in the privacy of your home, hotel suite, or office by a licensed registered nurse · with the discretion and standard of care our clientele expects.

Every drip is built from clinical-grade compounded ingredients, customized to the visit, and delivered start-to-finish in about 45 to 60 minutes.
